2. More importance to employment programmes.
3. Population control.

santhosh kumar

Enforce the nations trade laws and security laws. we make our nation safer by enforcing rules that limit exports of a a nation's goods, such as food or weapons, and by monitoring foreign investment that may pressent a risk to u.s. national security.

silambarasan

The most crucial purpose of security is to protect people and their property. this included both from international and their organizations. Good security measures will make it difficult for criminals to target a person or a place.

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

20 minutes

TIP
Add contextual logic to sticky notes by including who, when, where, urgency, and category or priority. Use a keyword or hashtag with an emoji.

Lok sabha - Historical background
